ABRAHAM OF UR A CRITICAL ANALYSIS OF THE LIFE AND TIMES OF THE PATRIARCH PDF - Search results, The designation of Abraham's Ur as "of the Chaldees" distinguishes it from the other cities called Ur, including Sumerian Ur located about a thousand miles from Haran. About an hour's drive from Haran is the city of Urfa which was called Orhai in Syriac Christian literature. Local tradition still insists that Urfa is where Abraham was born., Fourth, when Abraham left Ur of the Chaldees, there was a famine in Haran as well as in Ur. Therefore, Ur of the Chaldees and Haran likely lay within the same ecological system. Since Haran lay within the Fertile Crescent, normally an area with adequate annual rainfall, Abraham's Ur was probably within the Fertile Crescent as well., Abraham was from the city of Ur according to Genesis 11:31 above. The problem is that there are several places called Ur. It is mostly translated as "Ur of the Chaldeans." The problem with "Chaldeans" is that it is a late word used in the

Neo-Babylonian times. It is either anachronistic, or a poor translation., Nevertheless, I'll be using the names Abraham and Sarah throughout this study to avoid unnecessary confusion.
