Funcionando 100%, Narcissism is the pursuit  
of gratification from vanity or egotistic  
admiration of one's idealised self image and  
attributes. The term originated from Greek  
mythology, where the young Narcissus fell in  
love with his own image reflected in a pool of  
water. Narcissism is a concept in  
psychoanalytic theory, which was popularly  
introduced in Sigmund Freud's essay On  
Narcissism (1914)., Escuela de Estudios
